

ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Division of Public Works, State of Idaho, at the DPW Field Office, 875 Perimeter Drive, Moscow, Idaho until **3:00 PM**, local time on **June 20, 2013**, for DPW Project **14252** Replace Roofs, Mechanical Level, Ag Science, University of Idaho, Moscow, Idaho.

A description of the work of this project can be summarized to consist of leaving the existing roof systems and installing a new roofing system over the top. Existing roofing systems consists of built-up roofing and single-ply systems (see plans for locations). New roofing system will consist primarily of prefinished sealed seam metal roofing and some prefinished standing seam metal roofing over metal hat channel framing system and insulation. Work also includes installation of prefinished metal wall panels over hat channels and insulation to be applied over existing masonry and masonry veneer. Systems include miscellaneous framing, flashings, parapet caps, crickets, drains, etc. associated with the roof and wall areas. Work also includes removal of mechanical roof top unit, mechanical support systems, and satellite dishes.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:
